Ideation Phase
Brainstorm & Idea Prioritization

Date	16 feb 2026
Team ID	SWTID-2026-8203
Project Name	MicroGoal
Maximum Marks	4 Marks

Brainstorm & Idea Prioritization Template

Step-1: Team Gathering, Collaboration and Select the Problem Statement:-

Step-1: Team Gathering, Collaboration and Select the Problem Statement

Bring your team together to ensure everyone is aligned on the problem you're aiming to solve. Prioritize volume over value in brainstorming and encourage all ideas.

Reference: www.mural.co/templates/brainstorm-and-idea you can unleash their imagination and start shaping concepts even if you're not sitting in the same.

1 Step-1: Team Gathering, Collaboration and Select the Problem Statement

Gather your team

Invite all relevant team members for a brainstorming session.

Discuss and define the core problem you're addressing

Ensure everyone is aligned on the main issue to be solved.

Refine the problem into specific insights

Detail the problem concerning the ideal user, challenge, and goal.

Step-2: Brainstorm, Idea Listing and Grouping:-

Step-2: Brainstorm, Idea Listing and Grouping

Brainstorm freely and widely to prioritize quantity over quality at first. Ensure all participants contribute. Then cluster and categorize similar ideas as you go.

Brainstorming

Think of as many ideas as you can to seed creative thinking. Note down any essentials, out-of-the-box idea; or potential enhancements.

Tip

Remind participants that every idea a counts, no matter how big or concafe brainstorming as bolle. tiesty talk nete to tor'ves, and.', sach suggestion.

Phase 1	Phase 2	Phase 3
Students need a free, easy-to-use goal manager	Enable features for categorizing user goals	Add analysis of user's goal completion stats
Secure login to protect users' personal data	Include reminders for goal due dates	Allow sharing of accomplishments with friends

Group Ideas

Take turns jesis; whitel cad ideas into meaningieful grroups to help refine and hone in on common themes.

Metitqenyt oganahrity ideas eet write clustion prinutte putimor fnom).

Expand categories if necessary if you need to break it up into smaller sub-gfroups.

Tip

Take turns allowing everyone to cluster sticky notes into relevant themes. Prompt new ideas when needed. Each group should noe-- ensrent any deses, mailler cun gromps.

Simple Interface	Security	Goal Organization	Reminders & Progress Tracking	Friends Collaborration
Simple Goal Manager	Secure Login	Goal Organization	Reminders & Tracking	Goal Sharing & Collaboration

Take turns les late and related ideas into meaningful groups to help refine and hone in on common themes. J-etnsideas.

Expand categories if necessary if you need to unit up intor smaller sub-groups.

step-3: Idea Prioritization

3 Step-3: Idea Prioritization

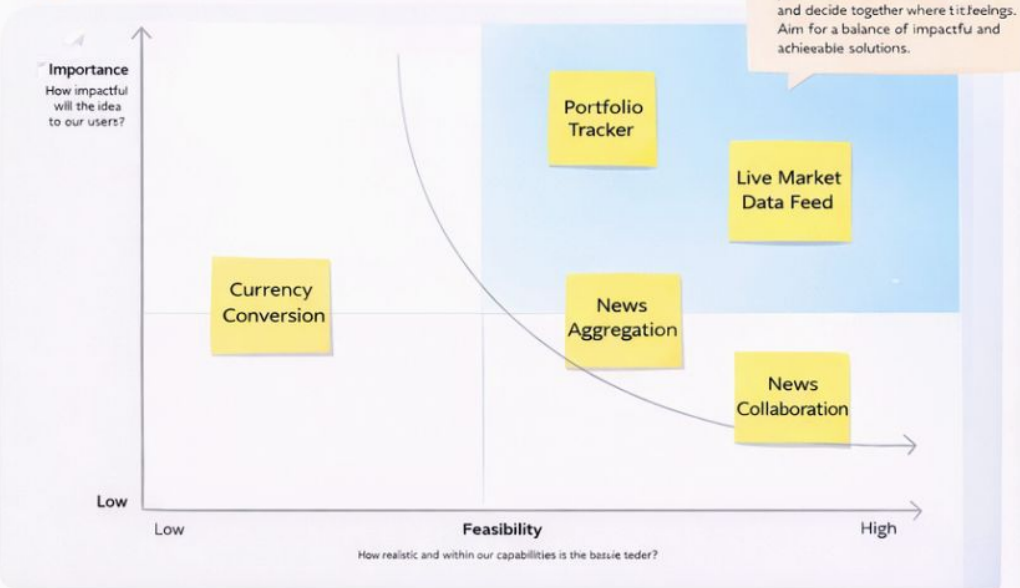
Align the team by putting ideas on the same page about which important ones to focus on first. Use a prioritization matrix to rank ideas based on their importance to users and feasibility within the team's resources.

Reference: www.mural.co/templates/brainstorm-and-idea-prioritization. to provtoo.

Step-3: Idea Prioritization

Tip

Invite everyone to place ideas on a prioritization matrix. Discuss each idea and decide together where t it feelngs. Aim for a balance of impactfu and achieeable solutions.



Evaluate Ideas: Plot sticky notes on the matrix based on importance and feasibility. Discuss as a group.

Balance Impact & Resources: Focus on ideas that promise high user value and are realistic given the team's capabilities.

Select Top Priorities: Choose the most important and feasible ideas to move forward with and begin planning.
